

# Workplace Health & Safety Policy

## Policy

**Stahmann Farms Enterprises Pty Ltd (SFE)** is committed to providing a safe and healthy working environment for all workers, contractors, clients and the public. This will be achieved by management and employees working together to eliminate, or where this is not practical, managing hazards to prevent all injuries, illnesses and dangerous events. These activities will be monitored, reviewed and audited.

This policy applies to:

1. all employees of SFE including contractors. and
2. all of SFE's workplaces and to other places where workers may be working or representing SFE.

Management is responsible for:

- Ensuring the company complies with all legislation relating to work health and safety
- Eliminating or minimising all workplace hazards
- Providing adequate information, procedures and training to enable all workers and contractors to do their job safely
- Encouraging and respecting the involvement of all workers in the improvement of work health and safety
- Providing appropriate safety equipment and personal protective equipment whenever required

All workers are responsible for:

- Following all safe work procedures, instructions and rules
- Participating in the management of work health and safety
- Encouraging other workers, contractors and members of the public to act in a healthy and safe way
- Participating in safety training
- Reporting health and safety issues
- Using the safety equipment and personal protective equipment provided

**Stahmann Farms Enterprises Pty Ltd (SFE)** goal is to have zero work-related injuries and illnesses to workers, contractors and members of the public. This will only be achieved through the participation, co-operation and commitment of everyone at the workplace.

Date: 11 May 2018
