

# 2020 Nambucca Macnuts Nut Consolidation

*Australia's leading diversified tree nut operation* - farming, processing, promoting the highest quality tree nuts

*Stahmann Farms* provides a selection of Consolidation Depots throughout the macadamia growing regions to assist growers in delivering NIS to Stahmann Farms. The depot in your region is Nambucca Macnuts.

## Delivering Your Nut

It is ESSENTIAL that all deliveries are booked into Nambucca Macnuts PRIOR to delivery. Booking times and delivery details must be adhered to. Unfortunately deliveries made without bookings may remain unprocessed until a vacant booking slot becomes available. In this instance, any loss of integrity to your nut quality is at your risk.

## Nambucca Macnuts Consolidation Depot Charges

	MACNUTS SERVICES & COST TO GROWER *		
	Depot Services	Description	Price/kg (received weight)
	<i>NIS Consolidation</i>	Receival of de-husked NIS	\$0.10/kg
	<i>NIS Full Sort (optional)</i>	Multiscan sorting of de-husked NIS & consolidation	\$0.20/kg
	<b>Freight Services</b>		
	<i>Farm to Depot</i>	Nambucca Macnuts freight service from farm to depot	\$0.09/kg

*all levels of service include receival, sampling, silo storage and dispatch/delivery to factory charges deducted from Delivery payments*

## Quality and Food Safety

At the discretion of Nambucca Macnuts, if the load (bins, skip, truck or ute) is deemed to have contaminants that will breach HACCP or Foods Standards, the Depot can reject the load until the load is corrected or removed. The grower and Stahmann Farms will be informed within one business day of the load arriving at the Depot.

The cost of removing or correcting a rejected skip or bin will be at the grower's expense.

## CONSOLIDATION DEPOT CONTACT DETAILS

**Nambucca Macnuts**  
48 Yarrowonga Drive, Macksville NSW 2447
